

Remembering Uses of Local Plants

Part of the Mitcham Common Walk Series

Wednesday 10th July 7pm - 8.30pm

Guided walk led by Roy Vickery

TICKETS £5

BOOK ONLINE:

www.slbi.org.uk/events

We will attempt to return to the 1920s and consider how people viewed and used local wild plants at that time. The duration of the walk will be approximately 90mins. This walk is in partnership with Mitcham Common Education Trust.
